LAZY SUSAN
PP36LS, PP48LS, PP60LS

PRODUCT ACCUMULATOR
The New Industry Standard for Quality and Reliability

Model PP36LS

Lazy Susan Product Accumulator - Available in 36” or 48” Diameter Turntables. This convenient and easy to use accumulator features a variable speed drive turntable 0-12 RPM. The adjustable leveling bolts allow you to match any conveyor line height. This turntable is great for accumulating smaller products or packages that won’t transfer on a roller or skate wheel type conveyor. Plugs into any 110 volt outlet.
PRODUCT ACCUMULATOR

Model PP36LS
Place the Lazy Susan Product Accumulator at the end of any production line or shrink tunnel to catch finished products.
